RE: Bradbury Road Landslide Repair
Pierce Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary for the Bradbury Road Landslide Repair project, and that it is impractical to construct a temporary highway/culvert and that a temporary detour is required.

Therefore, I have scheduled a road closure on Bradbury Road. The closure is located 0.67 miles west of White Oak Road on Bradbury Road. The road will be closed to through traffic **on 8/01/2016 through 8/09/2016.** The length of detour is approximately 5.56 miles or 29,353 feet. The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. **Attached is the recommended detour.**

If I can provide any additional information, please call the Clermont County Engineers Office at (513)732-8857.

Sincerely,

Patrick J. Manger

Patrick Manger, P.E., P.S.
