Greenspace Minutes 02/04/15

Permission for scouts to camp on Locust Corner UMC property has been accomplished through the efforts of Pat Hogan, Tim Hershner and Don Conover. Details are being worked out for invasive control in the Nature Park.

Tim is pursuing a grant for Balanced Growth training with Kirby Date.

Doug Dresie has calculated township greenspace and park property owned by the township at 165 acres. This does not include properties owned by Clermont County or the Hamilton County Park District.

Doug is also following up with George Carpenter on Pierce 2020 Master Plan.

Pat Hogan is totaling trails available to citizens of the township. The total is delayed due to his runaway dog.
