Green Space Minutes 7.1.15

Shareohio.gov does not have a chipper that is close enough to justify the man hours to transport it for local use. We are pursuing local government agencies for availability. If that is a bust, a rental seems the most reasonable solution.

We are planning a volunteer trail maintenance party if the weather breaks.

We also discussed a park and green space master plan for the township depending upon the results of the recent survey. Survey results will be reviewed at the next trustee meeting on Wednesday 7.8.15
