PIERCE TOWNSHIP ROAD & BRIDGE DATABASE and PLAN

Date Created -	1/4/2016	LFB																		
Date of last Revision -	3/23/2016	LFB																		

Road	Overall Grade	Curb Condition	Culvert Condition	Berm Condition	Sidewalk Condition	Length (in Miles)	Length (foot)	Width (feet)	Age (estimated years)	Type*1 - (hilly, flat, curvy)	Use*2 - (main artery, residential, other)	Daily Traffic Count (if known)	Creekside (Yes/No)	Paved/Gravel	Date of last paving	Projected New Paving Date	Projected Maintenance Work Date (other)	Other Condition Issues	Project Cost	Comments from 2016
------	---------------	----------------	-------------------	----------------	--------------------	-------------------	---------------	--------------	-----------------------	-------------------------------	---	--------------------------------	--------------------	--------------	---------------------	---------------------------	---	------------------------	--------------	--------------------

LEGEND -																			
Overall Grade - A	Excellent (no need for maintenance for 10 or more years)																		
Overall Grade - B	Very Good - (no need for maintenance for 5 or more years)																		
Overall Grade - C	Stable - (possible maintenance in 5 years)																		
Overall Grade - D	Poor - (in need of immediate repairs)																		
*1 - Estimated that 50% of mileage is this condition																			
*2 - See notes																			
Notes/Definitions-																			
Main artery defined as entrance to subdivision, or, connecting to other township or county roads																			
Residential defined as subdivision streets or side streets																			
Curbs, culverts, berms and sidewalks graded same as roads																			
Other condition issues might also include planned work with county or other entities																			
Database should be updated semi-annually. Changes from each 6 month interval should be noted in RED or other colors/fonts																			
Curbs, culverts, berms and sidewalks graded same as roads
