RE: Pond Run Road Culvert Replacements
Pierce Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary for the Pond Run road Culvert Replacements project, and that it is impractical to construct a temporary highway/culvert and that a temporary detour is required.

Therefore, I have scheduled a road closure on Pond Run Road. The first closure is located at 2855 Pond Run Road. The crews will begin working at that location. Once work is completed they will move northeast to the next closure. There are twelve culverts being replaced with this closure. The road will be closed to through traffic on Tuesday 7-5-2016 through Friday, 7-29-2016. The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. **Attached is the recommended detour.**

If I can provide any additional information, please call the Clermont County Engineers Office at (513)732-8857.

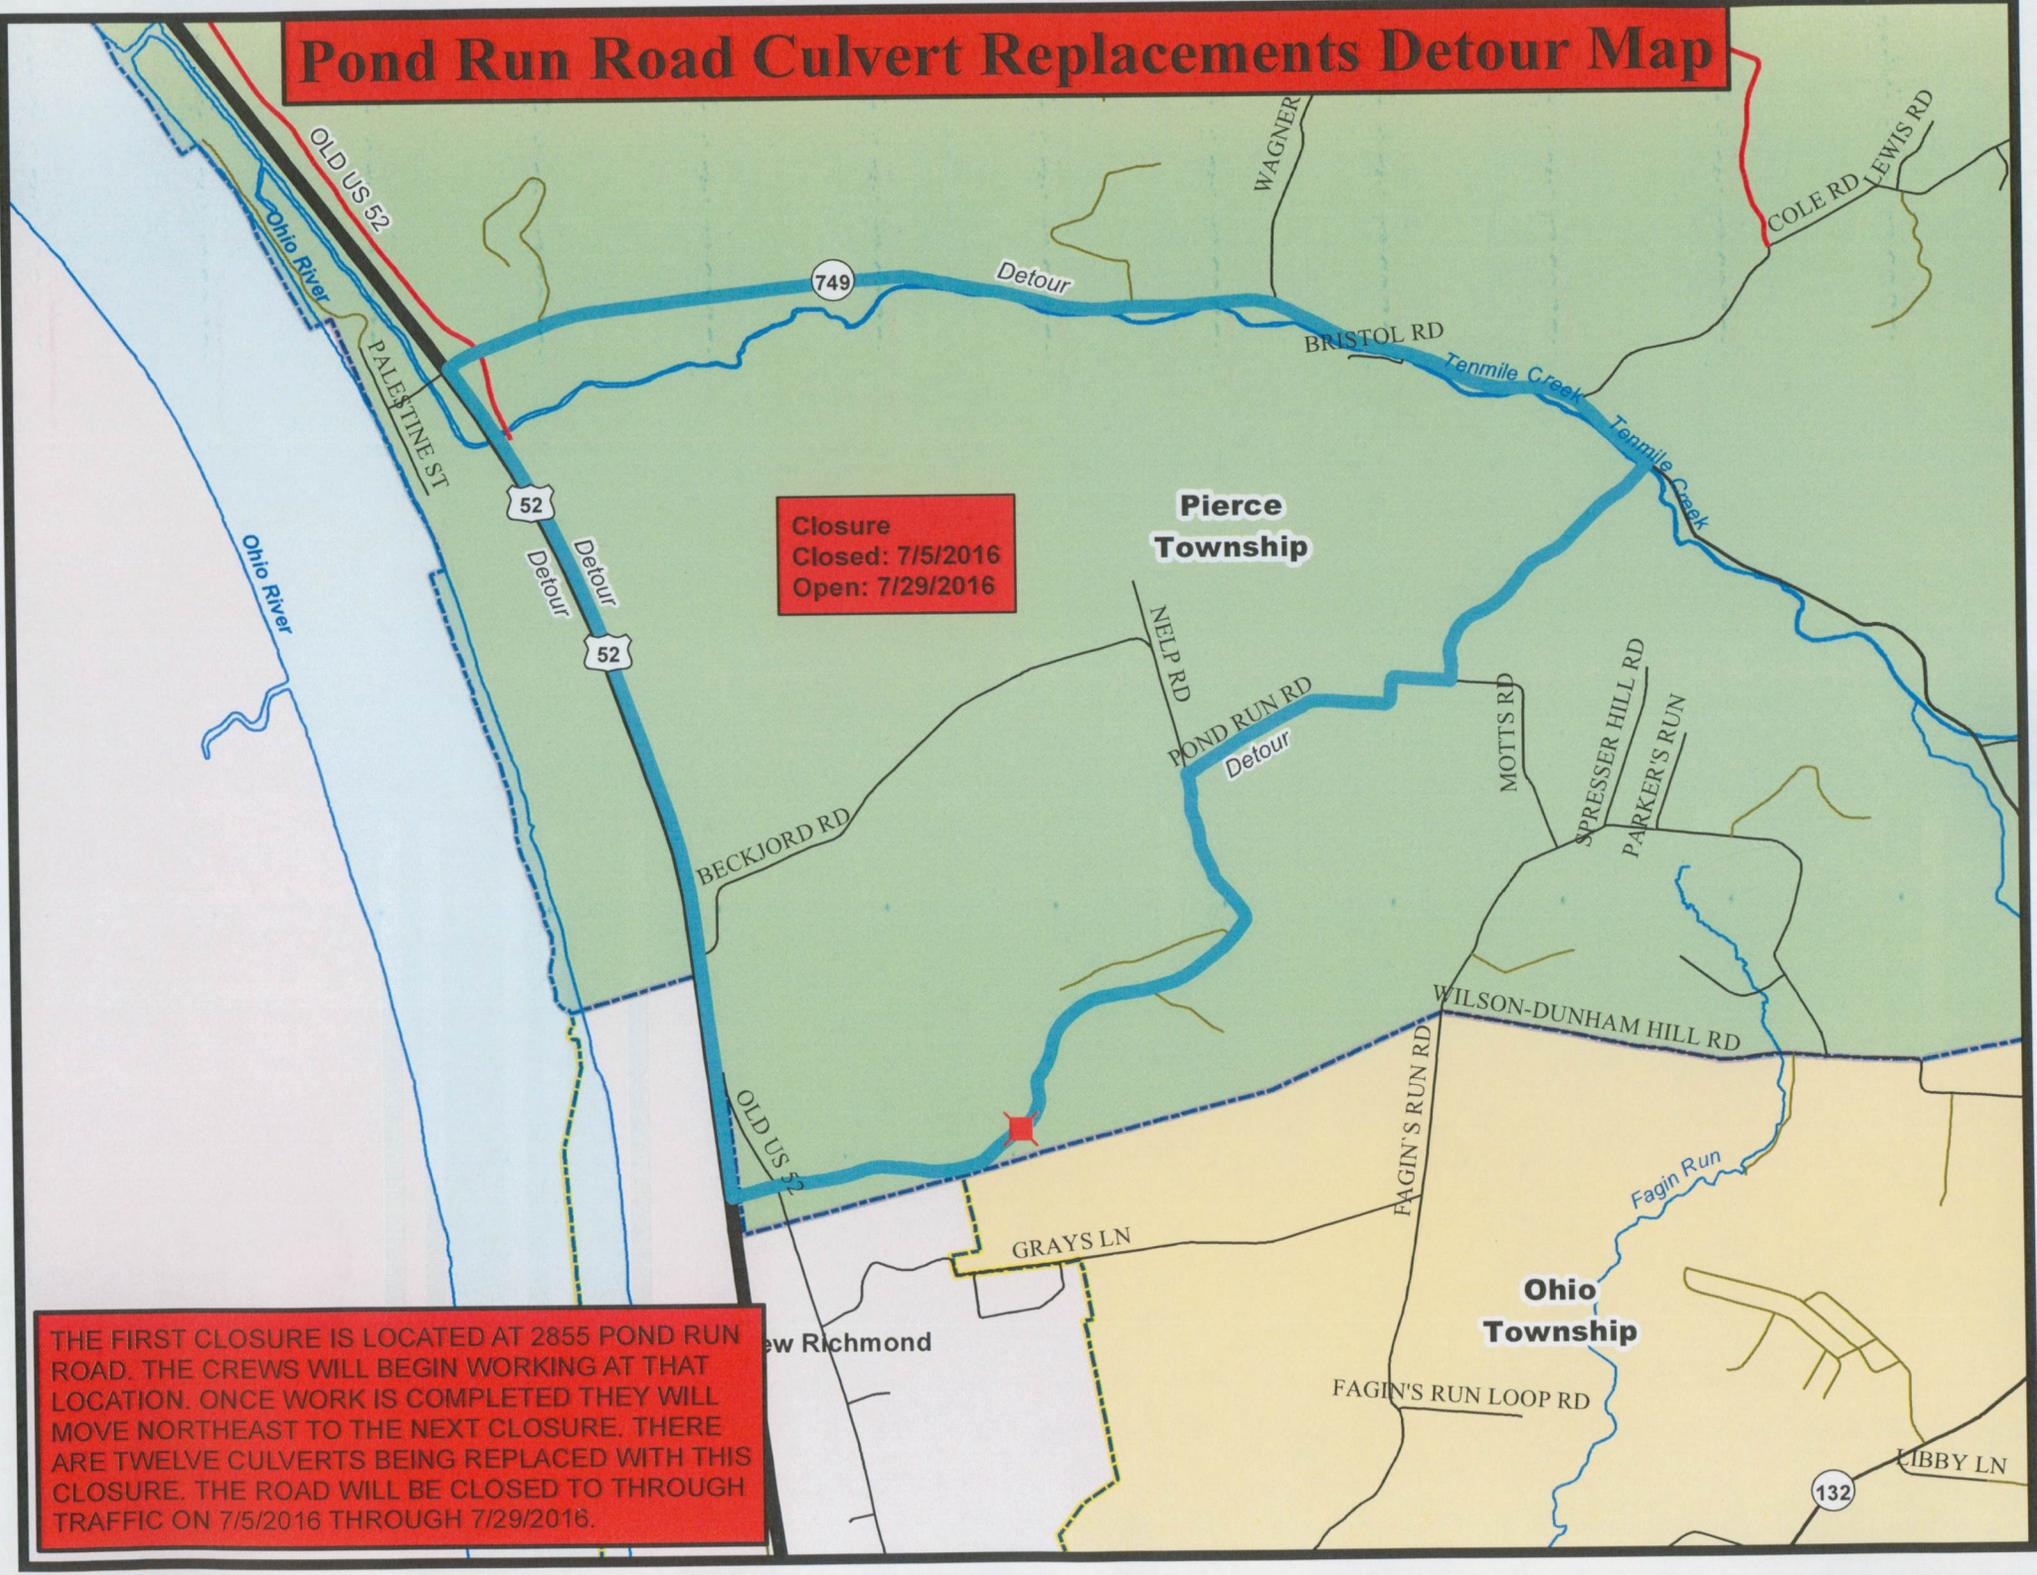

Sincerely,

Patrick Manger, P.E., P.S.
Clermont County Engineer
