

Your

Recycling Guide

to a safer, cleaner environment,
and a better quality of life at
home, work, and play.

**The Clermont County
Commissioners**
and the
Adams-Clermont Solid Waste District
are pleased to provide you with the Clermont
County Recycling Guide.

This **Recycling Guide** provides you with information that will help you to safely dispose of such items as used tires, oil, antifreeze, batteries, paint, computers, wireless telephones, fire extinguishers, and more...

If you can't find a disposal solution that fits your needs in this Guide or would like more information on recycling, please call the:

**Clermont County Office of
Environmental Quality**

for assistance:

(513) 732-7745

or visit www.oeq.net

Thanks for your help in protecting our environment and the quality of life in Clermont County.

REPORTING TRASH ALONG ROADS

If you notice sites that need to be cleaned please e-mail: dsnyder@clermontcountyohio.gov or call (513) 732-8127 and advise the type and amount of litter and the location.

If the litter consists of larger items such as refrigerators, water heaters, etc., and are located along a county road within the right-of-way, call the Clermont County Engineer's office at (513) 732-8857. For items alongside township roads, call the appropriate Township Trustees office. If the items are located along interstate and state roads such as Route 32, contact the Ohio Department of Transportation at (513) 797-6008.

REPORTING AN ILLEGAL DUMP

If you are witnessing an illegal dumping in progress, please contact 911. If you suspect the illegally dumped material is hazardous, contact the Ohio EPA's 24-hour Emergency Response Hotline at 1-800-282-9378. For non-hazardous material, contact the Clermont County General Health District at (513) 732-7499.

GARBAGE COLLECTION

Questions dealing with household garbage and recycling pick-up can typically be resolved by contacting your waste hauler, likely either Rumpke at (513) 851-0122, Republic (513) 771-4200, or Best Way (859) 372-4900.

RECYCLING

If curbside recycling is not available, try using a drop-off recycling location. Metal cans, plastic bottles & jugs, plastic dairy tubs, fruit and pudding cups, glass, mixed paper, cartons and cardboard can be recycled at area drop-offs usually available to you 24-7, at the locations listed on the next page.

Local Township's "Junk Days" may accept larger items.

MISCELLANEOUS PLASTICS

#5 Plastics that are not food tubs: Plastics such as toothbrushes, deodorant tubes, and disposable razors cannot be recycled in curbside recycling. Look into Preserve Gimme 5's programs for mail-in recycling www.preserve.eco/pages/how-to-recycle. Plastic dairy tubs, fruit cups, and jello & pudding cups are now accepted by Rumpke.

Packaging: Navis Pack and Ship (513) 860-2332 accepts loose fill and sheets of packaging, including bubble wrap, expanded polystyrene and polyethylene. The Alliance of Foam Packaging Recycling has a mail-in program found at www.epspackaging.org/info.html

Plastic Grocery Bags: Can be dropped off for recycling at the following stores: JCPenney, Kroger, Lowes, Meijer, Target, & Walmart

Black Plastic Planter Pots: Accepted at Lowes

Holiday Lighting: Lowes and Home Depot.

WINDOWPANE GLASS

No local recycling opportunity currently.

YARD WASTE DISPOSAL OPTIONS

Milford: leave brush on the curb to be picked up Wednesdays from April-October. **Amelia:** leave bundles of branches less than 30 lbs and less than 4" in diameter at curb for pick-up except during winter months. **Batavia:** leave bundles at curb for pick-up the first week of every month except winter months. **Williamsburg:** call 724-6107 for details on composting facility. **Ohio Mulch** (513) 528-4110 will take yard waste from residents for free. You can also take your yard waste to **Evans Landscaping** (271-1119) or **Bzak Landscaping** (831-0907) for a fee (Miami and Union Twp. residents free at Bzak). Alternative, try home composting or calling your waste hauler to collect your yard waste.

COMPOSTING

To view a variety of home composting bins, visit the Cincinnati Nature Center in Milford. For more information on composting and compost bin sales, call OEQ at (513) 732-7894.

Hazardous Waste / Paint / Pharmaceuticals / Light Bulbs / Batteries

HOUSEHOLD HAZARDOUS WASTE

Guidelines for the disposal of paint and local recycling outlets for some household hazardous waste materials are listed below. The Office of Environmental Quality may offer residents vouchers to cover the cost of disposal for items not listed below (513) 732-7745. If the material in question is included in the voucher program, a voucher will be sent to the resident, who is then responsible for taking the voucher and the material to the facility. Commercial or industrial firms may contract hazardous waste disposal firms directly:

Environmental Enterprises, Inc.

4650 Spring Grove Avenue, Cincinnati.....(800) 850-3587

PROPANE TANKS

EXPLOSIVES

Clermont County Sheriff's Office (gunpowder, ammunition and fireworks)

4470 SR 222, Batavia.....(513) 732-7510

PAINT DISPOSAL

Paint can be dried by mixing with cat litter, sawdust or newspaper clippings and set out on the curb with the lids removed for your waste hauler to collect. Cans of paint can also be taken to **Environmental Enterprises, Inc. (EEI)**, EEI will charge a nominal fee for this service. Any questions, call EEI directly at (800) 850-3587.

PHARMACEUTICALS

Flushing medications down the drain can contaminate surface and drinking water. It is best to dispose of it at the locations listed below. As a last resort, medications can be disposed of in the trash by removing all personal information from the bottles and mixing the medication with cat litter or sawdust to make it less appealing to kids or pets.
