<b>LEGEND -</b>																			
Pavement Grade - <b>A</b>				Excellent (no need for maintenance for 10 or more years)															
Pavement Grade - <b>B</b>				Very Good - (no need for maintenance for 5 or more years)															
Pavement Grade - <b>C</b>				Stable - (possible maintenance in 5 years)															
Pavement Grade - <b>D</b>				Poor - (in need of immediate repairs)															
*1 - Estimated that 50% of mileage is this condition																			
*2 - See notes																			
<b>Notes/Definitions-</b>																			
Main artery defined as entrance to subdivision, or, connecting to other township or county roads																			
Residential defined as subdivision streets or side streets																			
Curbs, culverts, berms and sidewalks graded same as roads																			
Other condition issues might also include planned work with county or other entities																			
Database should be updated semi-annually. Changes from each 6 month interval should be noted in <b>RED</b> or other colors/fonts																			
Curbs, culverts, berms and sidewalks graded same as roads
