	<b>Park Improvements</b>
1.1	Groh Park and Locust Corner Park Projects Next Steps:  Info from Tim: Kleingers has issued a notice to proceed to the contractor for the Park Projects. Kleingers has not received the construction schedule from them yet. Also, I am waiting on Kleingers to give us options for the repair of cracking on the tennis courts. Hope to get that information this week
1.2	Futsal court discussion (Joe Gould): Commonly known as 'Street Soccer'. Rough field size 130'L x 83'W. Possible funding sources through Grants (e.g. Target), OSA (Ohio Soccer Association), and US Soccer Association. Proposed location was Groh, but we believe Spenser Shank may be the best location.
	<b>Park Events</b>
2.1	Concerts in the Park 2023: As previously discussed; \$10K earmarked for concert venues. It was decided that we should start with one concert in 2023 to give us a good base understanding of what to expect for future expansion. New: suggested to use \$5K for the concert and engage with Leroy in December to determine who we can get.
2.2	Movies in the Park: Deerfield budgets \$5K for their Events. Info from this and other programs indicate a cost for the movie rights as \$465 per movie. More details to come from Michelle via email
	<b>Other Business</b>
3.1	George Carpenter Memorial: Dedication planned for 9/18/2022 @2pm
3.2	Fall Parks work day: Scheduled for Sat Nov 19 from 9a-1p. Will determine work location as we near the date. Doug will inform Dan regarding UC volunteers
